UNIT 2 THE HISTORY OF BIRTHDAY CANDLES

THE ORIGINS OF BIRTHDAY CANDLES

Birthday candles have a long and fascinating history—the tradition of placing candles on cakes dates back to ancient civilizations.

ANCIENT GREECE The Greeks used candles to honor the goddess Artemis. They placed lit candles on cakes to make them glow like the moon, a symbol associated with Artemis.

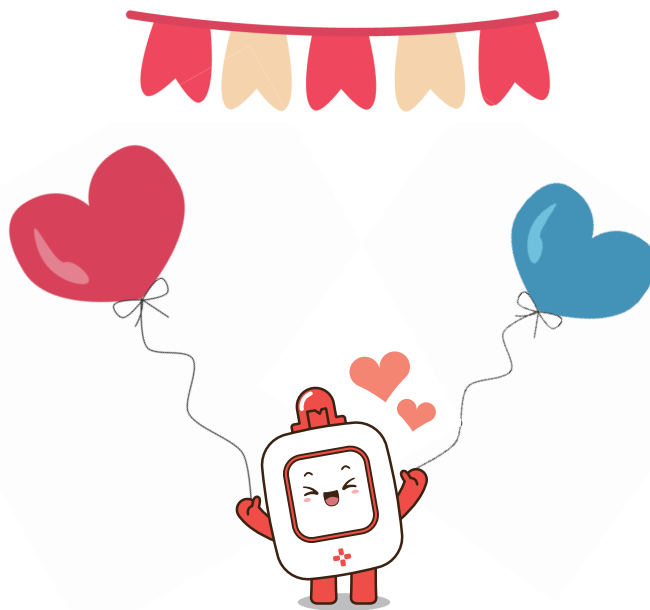

GERMANY

In the 18th century, Germans celebrated children's birthdays with a cake adorned with candles. This celebration was called "Kinderfest." The candles represented the "light of life."

MAKING A WISH

The tradition of making a wish before blowing out the candles is a fascinating part of the history of birthday candles. Believed to have originated in Germany, it was thought that the smoke from the extinguished candles carried wishes to the heavens.
