LET'S CREATE A CAMPFIRE SCENE!

UNIT 1 INTRODUCTION TO CAMPFIRES

WHAT IS A CAMPFIRE?

A campfire is a small, controlled fire that people make when camping. It's where you can sit with friends and family, tell stories, roast marshmallows, and stay warm. Campfires are not just about fire—fun, friendship, and enjoying nature together.

WHY DO WE MAKE CAMPFIRES?

There are many reasons why people make campfires, especially when they are out camping:

Warmth : When it's chilly outside, the fire keeps you warm. Sitting by a campfire is like having a warm blanket around you.

Cooking : You can cook food over a campfire. Imagine roasting marshmallows until they're golden brown or making a yummy meal like hot dogs on a stick. The fire helps cook the food so you can enjoy a delicious dinner under the stars.

Light : At night, it gets dark outside. The campfire gives light so you can see your surroundings and feel safe. It's like having a natural lamp that glows softly in the dark.

Fun and Friendship : Campfires are a great place to gather with friends and family. You can sit around the fire, share stories, and sing songs. It's a particular time to bond and create happy memories together.

HOW DO WE MAKE A CAMPFIRE?

Making a campfire is an important skill, but you should always do it with an adult's help. Here's how it works:

Choosing a Safe Spot

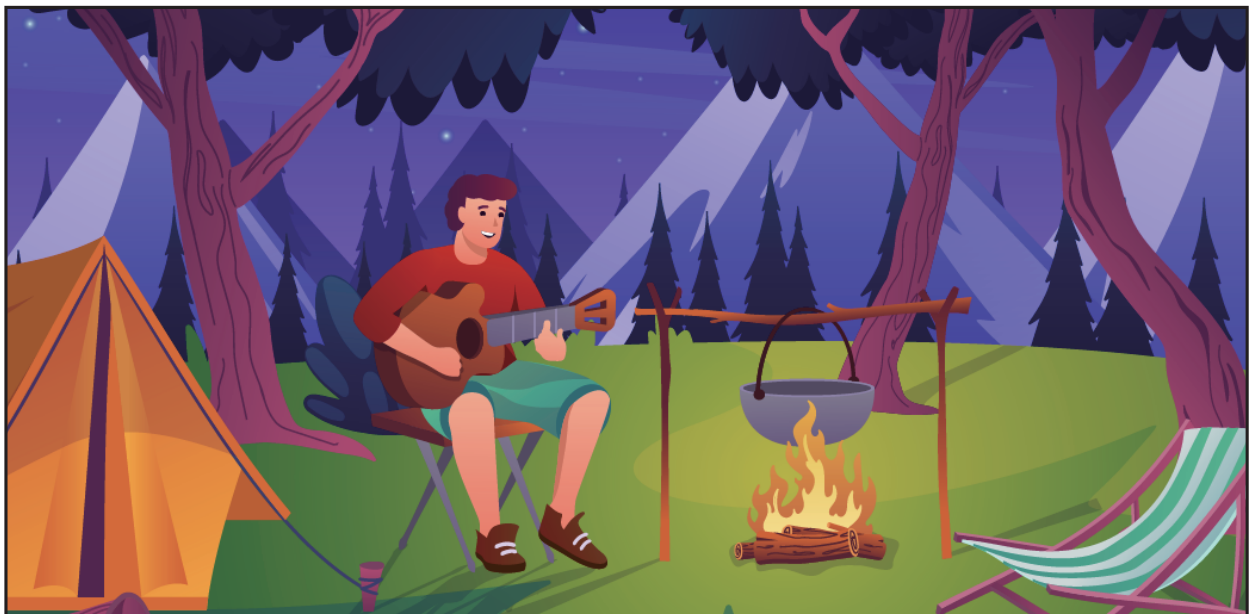

Find a safe place for your campfire. It should be on flat ground, away from trees and other objects that can easily catch fire.

Gathering the Wood

Collect wood of different sizes. Start with small sticks called kindling and then add bigger logs to keep the fire going.

Starting the Fire

An adult uses matches to light the small sticks first. Once they start burning, the more extensive logs catch fire, creating a warm campfire to enjoy.

●● Activity: Draw Your Campfire

Now that you know what a campfire is and why we make them, let's get creative! Draw a picture of a campfire. Think about what you've learned:

- Draw the circle of rocks around the fire.
- Show the wood burning in the middle.
- Add people sitting around the fire, maybe roasting marshmallows or telling stories.
