RAINBOW GLOW STICK

UNIT 1 WHAT COLORS ARE IN THE RAINBOW?

INTRODUCTION TO THE RAINBOW:

Have you ever seen a rainbow in the sky? A rainbow is a beautiful arc of colors that appears when sunlight shines through the rain. The colors of the rainbow are always in the same order.

THE COLORS OF THE RAINBOW:

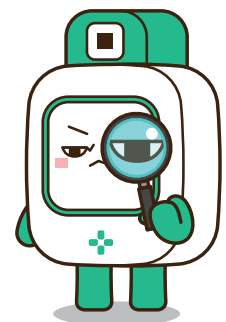

Rainbows are amazing! They are made up of seven beautiful colors that always appear in the same order. Let's learn about each color in the rainbow:

1. **RED** The first color you see at the top of the rainbow.
2. **ORANGE** The second color.
3. **YELLOW** The bright color in the middle.
4. **GREEN** The color of grass and leaves.
5. **BLUE** The color of the sky.
6. **INDIGO** A dark blue color.
7. **VIOLET** The purple color at the bottom of the rainbow.

How can we make a rainbow?

Simple Steps:

1. Sun shines through rain.
2. Light bends inside raindrops.
3. Colors come out to make a rainbow!

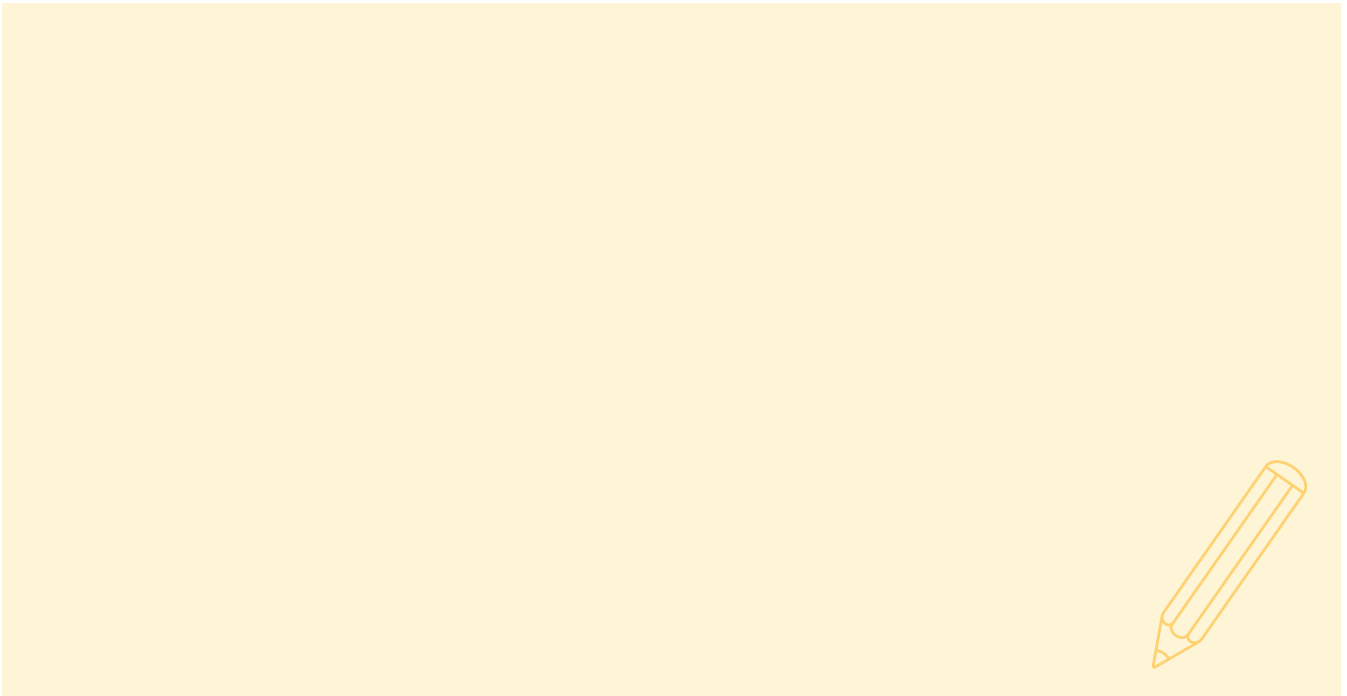

● Activity : Find the Rainbow Colors Around You —

1 Draw a Rainbow:

On your paper, draw a giant rainbow with seven arches. Label each arch with the name of its color: Red, Orange, Yellow, Green, Blue, Indigo, and Violet.

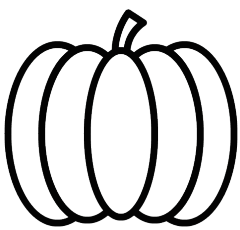

2 Color Matching:

Look around your house or classroom and find objects that match each color in the rainbow. Draw or write the name of each object under the correct color on your rainbow drawing. Let's share what you find with friends.

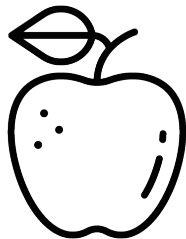

Activity : A Fun Way to Learn and Match Colors

Find fruits that match each rainbow color. Write down the name of each fruit that matches the color, and use crayons or colored pencils to fill in the fruits.
