UNIT 4 ONLINE SYSTEM AND COURTESY

WHAT IS AN ONLINE SYSTEM?

An online system is a way for computers to talk to each other using the internet. We can send messages, play games, watch videos, and learn new things using the internet. It's like a big network that connects computers all over the world.

HOW DO WE USE ONLINE SYSTEMS?

We use online systems for many things:

SENDING MESSAGES

We can send emails or chat with friends and family.

LEARNING We can read books, watch educational videos, and do research for school projects.

PLAYING GAMES We can play many fun games online with others.

WATCHING VIDEOS We can watch favorite shows and movies

WHY IS ONLINE COURTESY IMPORTANT?

It's important to be polite and respectful when using the Internet. This is called online courtesy. Just like we have manners in real life, we must also have good manners online.

RULES FOR ONLINE COURTESY

- 1 BE KIND** Always use kind words when talking to others online. Don't say mean or hurtful things.
- 2 RESPECT PRIVACY** Don't share your personal information with strangers, like your home address or phone number. Also, respect other people's privacy.
- 3 ASK PERMISSION** Before sharing a picture or video of someone else, ask for their permission.
- 4 BE HONEST** Don't pretend to be someone else online. Be yourself.
- 5 FOLLOW THE RULES** Every online platform has its own rules. Make sure you read and follow them.

PRACTICING ONLINE COURTESY

Here are some ways you can practice online courtesy:

THINK BEFORE YOU POST Before you share something online, consider how it will affect others. Will it hurt their feelings or make them happy?

BE A GOOD FRIEND Support your friends online by saying nice things and helping them if they have problems.

REPORT PROBLEMS Tell a trusted adult if you see someone being mean or breaking the rules.

ACTIVITIES

1 **ROLE-PLAYING**

Practice good online manners with a friend. One person can pretend to be someone online, and the other can practice responding with kindness and respect.

2 **CREATE A POSTER**

Make a poster showing online courtesy rules. Hang it near your computer to remind you how to be polite online.

3 **DISCUSSION**

Talk about a time when someone was nice to you online. How did it make you feel? How can you make others feel good online?

By learning and practicing online courtesy, we can make the internet a safe and happy place for everyone!
