LIVING WITH NEIGHBORS

UNIT 1 OUR NEIGHBORHOOD EXPLORATION

WHAT IS A NEIGHBORHOOD?

A neighborhood is a place where people live, work, and play. It includes our homes, schools, parks, shops, and more. Knowing our neighborhood helps us understand the people and places around us.

ACTIVITY: EXPLORING OUR NEIGHBORHOOD

Let's go on an adventure and explore our neighborhood!
Here are some things to look for:

Home

Where do people live? Are there houses, apartments, or both?

Parks

Where can we play? Do we have playgrounds, gardens, or sports fields?

ACTIVITY: DRAW YOUR OWN MAP

1 WALK WITH A BUDDY

Take a walk with a family member or friend.

2 LOOK AROUND

Notice the different places in your neighborhood.

3 DRAW A MAP

Draw a simple neighborhood map. Include essential places like your home, school, and park.

4 SHARE YOUR MAP

Show your map to the class and discuss what you found.
